

YOU ARE INVITED TO KNOW GOD

The gospel is more than the message that God notices you. It is the message that through Jesus Christ, guilty people can be brought near to God.

Begin with Jesus. Read one of the Gospels - John, Matthew, Mark or Luke - and ask God to show you who Jesus is.

Whatever your circumstances today, do not measure God's love only by how life feels. Look to Christ.

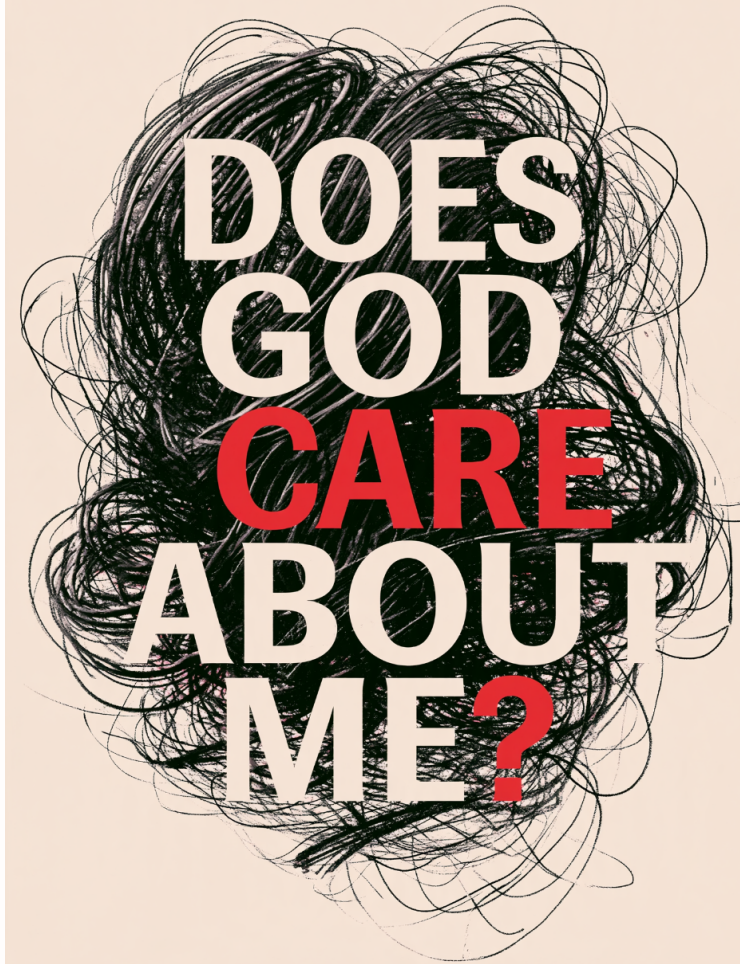

COME TO HIM

God does not promise His people a life without sorrow. He offers something greater: forgiveness, reconciliation with Himself and eternal life in Christ.

Turn from sin and put your trust in Jesus. Bring your fears and questions to Him honestly.

"Cast all your anxiety on Him, because He cares for you."

1 Peter 5:7

GOD MADE YOU

You are not an accident in a meaningless universe. The Bible begins with a God who made the world and made human beings in His image.

He knows us more completely than anyone else can. He knows what is visible to others and what is hidden in our hearts.

Yet the Bible is also realistic: this world is broken by sin, and suffering is real.

OUR GREATEST NEED

We often want God first to change our circumstances. Sometimes He does. But our deepest need is greater: we need to be reconciled to Him.

All of us have sinned and turned from our Creator.

"For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord."

Romans 6:23

God's care is seen most clearly in what He did about our sin.

LOOK AT THE CROSS

God sent Jesus Christ into our broken world. Jesus knew grief, rejection and suffering. Though sinless, He willingly died for sinners.

"God proves His love for us in this: While we were still sinners, Christ died for us."

Romans 5:8

Jesus rose from the dead. God's love is not merely a comforting idea; it is displayed in the saving work of Christ.
