

INVESTIGATE FOR YOURSELF

Read one of the Gospel accounts, especially John or Luke. Ask what the authors actually claim about Jesus rather than relying only on second-hand impressions.

You can even pray honestly: "God, if You are there, help me to see the truth about Jesus."

Christian faith is not a request to stop thinking. It is an invitation to consider Jesus seriously - and, if His claims are true, to follow Him.

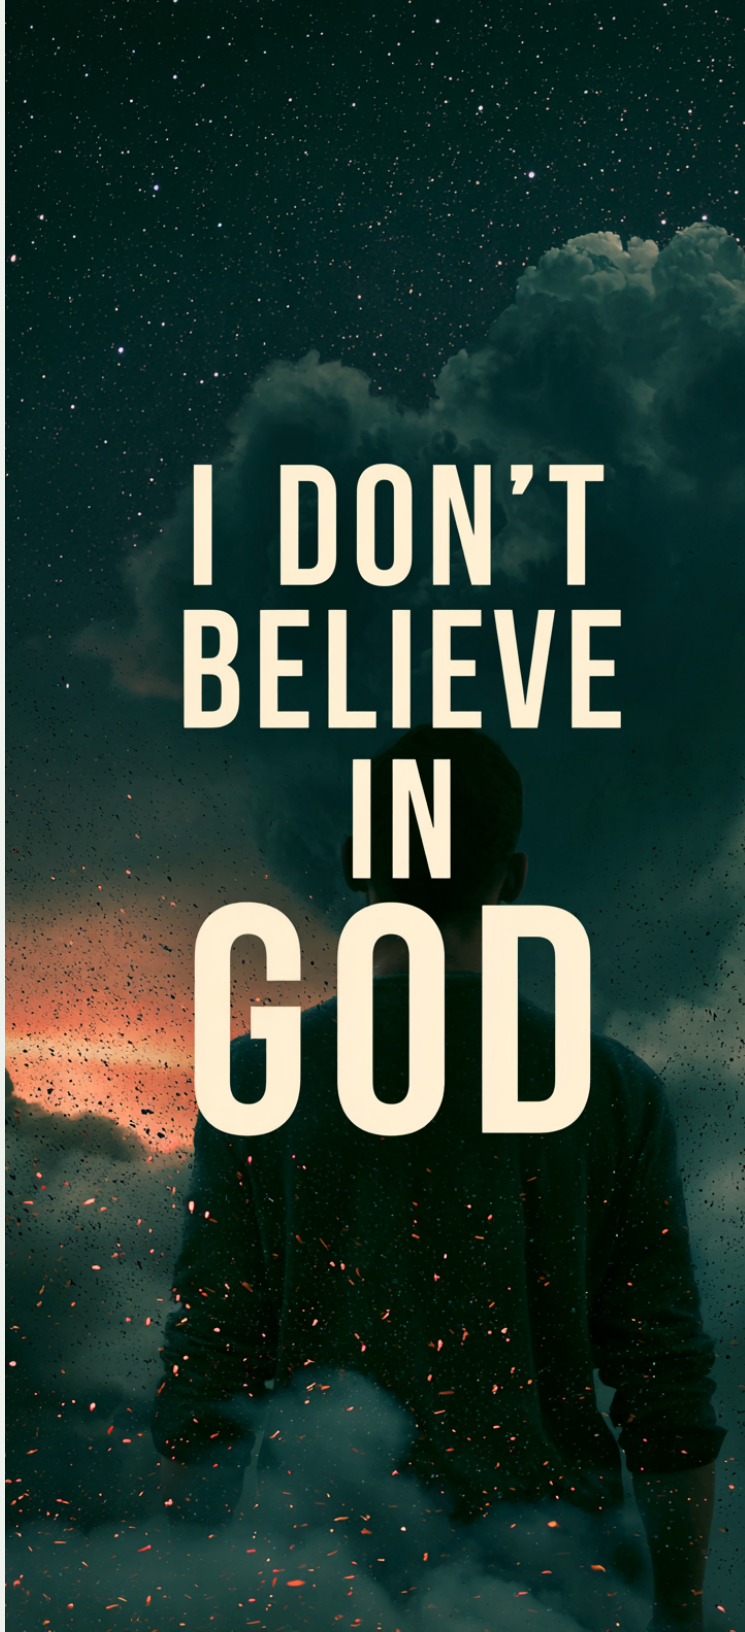

WHAT IS THE GOOD NEWS?

Jesus Christ lived without sin, died on the cross for sinners and rose again.

God offers forgiveness and reconciliation as a gift, not as a reward for religious achievement.

If you become persuaded that Jesus is who He claimed to be, the right response is not mere agreement. Turn from sin and entrust yourself to Him.

I DON'T BELIEVE IN GOD

WHAT IF GOD IS REAL?

If God does not exist, Christianity is not merely unhelpful - its central claims are false. But if the God revealed by Jesus Christ is real, then nothing is more important.

The question deserves more than a quick dismissal based on bad religious experiences, assumptions or what other people believe.

Christianity makes claims about events in history, especially the life, death and resurrection of Jesus.

START WITH JESUS

Jesus of Nazareth did not simply offer vague spirituality. He spoke about God with unique authority, claimed the right to forgive sins and called people to follow Him.

His followers proclaimed that He was crucified, buried and then seen alive again.

"He was raised on the third day according to the Scriptures."

1 Corinthians 15:4

The resurrection is central: if Jesus did not rise, the Christian faith collapses.

THE QUESTION IS ALSO PERSONAL

The Bible says our resistance to God is not only intellectual. We also want to live on our own terms.

"All have sinned and fall short of the glory of God."

Romans 3:23

If God is our Creator, we are accountable to Him. That can be uncomfortable - but the gospel is good news because the God we have sinned against has acted to save sinners.
