

DO NOT PUT YOUR HOPE TOO LOW

We naturally place our hopes in things we can see. Many are good, but none can last forever.

Jesus offers reconciliation with God and eternal life.

"Everyone who believes in Him shall not perish but have eternal life."

John 3:16

Look beyond temporary hopes. Look to Jesus Christ.

HOPE BEYOND THIS LIFE

God promises forgiveness and eternal life to those who belong to Christ. The Christian hope ultimately reaches beyond the present world to resurrection and life with God.

Turn from sin and put your trust in Jesus Christ.

Your circumstances may not immediately change, but in Christ you can have a hope that suffering and death cannot finally destroy.

IS THERE REALLY HOPE?

WHY THE WORLD IS BROKEN

The Bible describes the beauty of God's creation, but also explains why life is now marked by evil, sorrow and death.

Humanity has rebelled against God. Sin has damaged our relationship with our Creator and with one another.

We cannot repair the deepest problem of the world merely through technology, politics, money or self-improvement.

GOD DID NOT ABANDON US

God entered our broken world in the person of Jesus Christ.

Jesus showed compassion to suffering people, but He came to deal with something deeper than temporary circumstances: our sin and separation from God.

"Christ Jesus came into the world to save sinners."

1 Timothy 1:15

HOPE HAS A NAME

Jesus willingly died on the cross for sinners. Then He rose from the dead.

Because Jesus lives, Christian hope is not wishful thinking.

"Blessed be the God and Father of our Lord Jesus Christ! By His great mercy He has given us new birth into a living hope through the resurrection of Jesus Christ from the dead."

1 Peter 1:3
