

A HOPE STRONGER THAN DEATH

For the person who belongs to Christ, death is not the loss of all hope. Jesus said:

"I am the resurrection and the life. Whoever believes in Me will live, even though he dies."

John 11:25

The most important preparation for death is not a document, possession or achievement. It is to be reconciled to the God who made you.

WHAT SHOULD YOU DO?

God commands people everywhere to repent and turn to Him. Do not put your hope in your own goodness. Put your trust in Jesus Christ.

"Believe in the Lord Jesus, and you will be saved."

Acts 16:31

To repent is to turn from sin and from ruling your own life. To believe is to entrust yourself to Jesus - relying on who He is and what He has done.

WHAT HAPPENS AFTER YOU DIE?

01

DEATH IS NOT THE END

The Bible does not speak of death as the end of our existence. We were made by God, and every person will one day stand before Him.

"It is appointed for man to die once, and after that comes judgment."

Hebrews 9:27

This matters because God is not only our Creator. He is perfectly holy and just. Our lives are accountable to Him.

02

OUR DEEPEST PROBLEM

The problem is not merely that we will die. Our deeper problem is sin.

"For all have sinned and fall short of the glory of God."

Romans 3:23

We have failed to love God as we should. We have broken His commands in what we do, say and think. We cannot erase our guilt by being religious, sincere or better than someone else.

God's judgment is real - but judgment is not the whole message.

03

GOD HAS MADE A WAY

God sent His Son, Jesus Christ, into the world. Jesus lived without sin, yet willingly died on the cross for sinners. He bore the judgment that guilty people deserve.

"Christ died for our sins... He was buried... He was raised on the third day."

1 Corinthians 15:3-4

Jesus rose from the dead. Death did not defeat Him. In Christ there is forgiveness, peace with God and eternal life.
